

UNIST Readmission Application for 2025 Spring(1st) semester

We are pleased to announce the readmission guidelines for the 2025 Spring(1st) semester as follows;

1. Applicability: **Undergraduate students or Graduate(Master' s, Doctoral, Combined) Students** who dropped out or were expelled.

- A student shall be readmitted **after two semesters**, which includes the semester during which the withdrawal(drop out) or expulsion occurred.
- Readmission application should be applied within 3 years(Based on the date of the readmission announcement)* from the date of dropout or expulsion with the following exceptions.
 - The period of military service and treatment for diseases requiring long-term care shall not be included in the possible application period of readmission.
 - According to the addendum of the Guidelines on the Readmissions, the graduate program readmission from 2024-1st semester and 2026-2nd semester shall be recruited without the restriction of submitting readmission application within 3 years from the date of drop out of expulsion.

* Withdrawal or expulsion date for eligible undergraduate readmission candidates: from 26 October 2021

2. Students who are not eligible for readmission.

- Those who have exceeded the academic period(enrollment duration).
- Those who were expelled due to disciplinary action.
- Those expelled after receiving three academic warnings (applicable to the students admitted from the 2014 academic year).

3. Readmission Application Period

- Students submission period : ~ December 27th(Fri), 2024.

* Please Before the relevant Committee schedule for each semester.

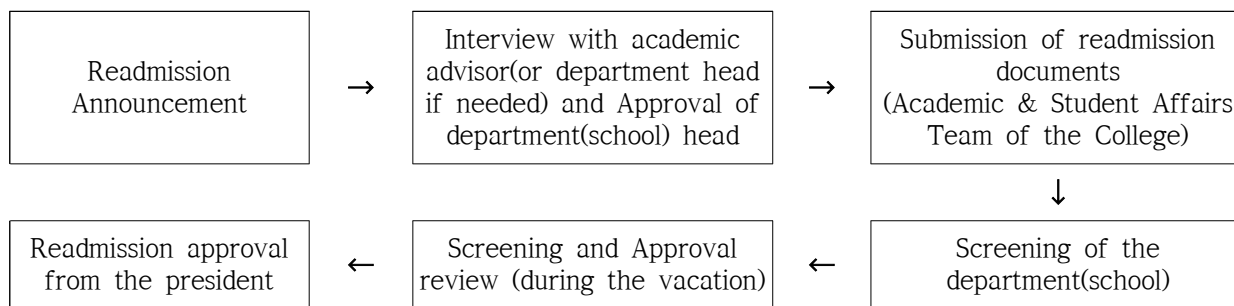

* Submit to the affiliated Academic & Student Affairs Team of the College

4. Application Procedure : Submit the application to the Academic and Student Affairs Team of the affiliated College with academic advisor' s opinion and an approval of department(school) head

5. Required Documents for Readmission <refer to the attachment>

- 1 copy of the "Request for readmission"
(including the study plan and opinion of academic advisor on readmission)
- 1 copy of the "Notice of collection and use of personal information"
- 1 copy of the academic transcript.

6. Readmission Procedure

7. Important Notes

- Those expelled with academic warnings shall be expelled permanently upon receiving another academic warning after readmission.
- Readmission is only permitted once.
- Those who do not enroll after readmission are not allowed to apply again.
- Readmitted students shall not be allowed to take a leave of absence for the first semester after readmittance except for the reasons of illness, pregnancy and childbirth and military service.
- Readmitted students should pay the readmission fee in addition to the regular tuition fee.

※ Additional Notes regarding about Graduate Program Readmission

- Previous academic records(degree program, affiliated department, type of scholarship, enrolled semester, the number of enrollment semester left, GPA and others) earned will be automatically recognized without any additional procedure.
- Requirements for graduation and affiliated department for readmitted students will be as follows; However, when the case of following transitional measures cannot be applied arises, decision making from department(school) committee shall be needed.
 - ▶ Students entered equal to or before 2020 Fall(2nd) semester: Transitional measures in change of department curriculum will be applied.
 - ▶ Students entered after 2021 Spring(1st) semester: Affiliated department and graduation requirements will be unchanged from the date of initial admission.
