- 1) The criteria for accreditation of official English grades are limited to those published within 2 years of the application deadline.
- 2) The number of applicants can be reduced if there is no qualified person.
- 3) Candidates can be selected as candidates for employment, and candidates can be hired according to the candidates' rankings if the candidates for recruitment are found out or there are vacancies in the same field within six months of appointment.

## II Contract

- Contract period: Please refer to the above details.
  - ※ In the case of appointment commencement date and contract period, it may be changed after consultation with the research manager.
- Working hours: Please refer to the above details.
- Place of Work: UNIST

## III Reasons for Exclusion, Restriction of Support Age, and Others

- Exclusion
  - Eligible physical examination or reasons for disqualification of employment under Article 33 of the National Civil Service Act. Those who have been rejected as a result are excluded from appointment.
  - Persons whose identity has been identified as a result of an inquiry and a survey of candidates for recruitment (final interview candidates) in accordance with the original rules may be canceled through discussion.
  - If a person is found to have a final appointment and has been found to be false, application forgery, or fraudulent employment is found, the appointment may be canceled if a reason for disqualification under Article 33 of the Civil Service is found.
- No age limit
- For men, military uniform or exemption
- Other

physical condition are not allowed in the application form due to blind employment.

- Those who are eligible for work protection are given additional points according to related laws.
- You must be able to work immediately after appointment.
  - \* It is possible to negotiate the first working day and appointment period depending on circumstances such as preventing the spread of COVID-19 and living abroad.

## **IV** How to apply & Procedures

- Recruitment notice and documents submission period: 2021.4.5.~ 2021.4.20. 24:00 (16 days)
- How to submit an application
  - Recruiter E-mail: Please send documents by email. (k01291@unist.ac.kr)
  - Documents to be submitted: Application form, Cover letter, job and research performance record, personal information third party  
/ 1 copy of each written offer agreement (see attached form)
  - ※ If it is deemed necessary to perform research duties, major and Evidence data such as credits can be requested separately (used as reference data)

### ※ How to apply

- The submitted documents are converted into PDF files (after scanning) and sent by e-mail.
- Subject: “(Code No. of Recruitment Area)Application for UNIST Researcher: Your name”
- Note: Applications should be received by 24:00 on the due date

- When filling out the application form, the relevant documents must be prepared in advance. Successful applicants will be canceled due to erroneous input. All responsibility for harm lies with the applicant.
- According to blind employment, there is no entry of photograph, school name, credit, family relationship, family name, date of birth, and physical condition.
- The following contents and conditions are also prohibited from the application: Name of school, family relationship, date of birth, person, and body
- Procedure: Document Screening, Interview
  - Document review: Establish and evaluate the document evaluation quantitative evaluation criteria and select 3 times the number of expected employees.
  - Interview
    - \* Regarding the place where the interviewee resides and the prevention of COVID-19, it may be a untact interview.
