

# UNIST Readmission Application for 2023 Fall(2nd) semester

We are pleased to announce the readmission guidelines for the 2023 Fall(2nd) semester as follows;

1. Applicability: **Undergraduate students** who dropped out or were expelled.
  - A student shall be readmitted **after two semesters**, which includes the semester during which the withdrawal(drop out) or expulsion occurred.
  - A student who left the school in the form of a withdrawal(drop out) or expulsion wishes to be readmitted to an undergraduate course, the student must submit readmission application within **3 years**.
2. Students who are not eligible for readmission.
  - Those who have exceeded the academic period(enrollment duration).
  - Those who were expelled due to disciplinary action.
  - Those expelled after receiving three academic warnings (applicable to the students admitted from the 2014 academic year).
3. Readmission Application Period
  - Students submission period : ~ June 30th(Fri), 2023.
    - \* Before the relevant Committee schedule for each semester.
    - \* Submit to the affiliated Academic & Student Affairs Team of the College
4. Application Procedure : Submit the application to the Academic and Student Affairs Team of the affiliated College with academic advisor' s opinion and an approval of department(school) head
5. Required Documents for Readmission <refer to the attachment>
  - 1 copy of the "Request for readmission"  
(including the study plan and opinion of academic advisor on readmission)
  - 1 copy of the "Notice of collection and use of personal information"
  - 1 copy of the academic transcript.
6. Readmission Procedure

## 7. Important Notes

- Those expelled with academic warnings shall be expelled permanently upon receiving another academic warning after readmission.

- Readmission is only permitted once.
- Those who do not enroll after readmission are not allowed to apply again.
- Readmitted students shall not be allowed to take a leave of absence for the first semester after readmittance except for the reasons of illness, pregnancy and childbirth and military service.
- Readmitted students should pay the readmission fee in addition to the regular tuition fee.
